

ERRATUM

NOTE: The competing financial interest declaration was not included in this editorial published in the December issue of *Environmental Health Perspectives*; the statements is provided below.

L.S. Birnbuam and A. Bergman, authors of the editorial “Brominated and Chlorinated Flame Retardants: The San Antonio Statement” [Environ Health Perspect 118:A514–A515 (2010)], declare they have no actual or potential competing financial interests.

This omission has been corrected in the PDF version of this article.
